RUSSIAN ELECTRONIC VISA

Effective from August 1, 2023 by the Decree of the President of the Russian Federation **online issuing of electronic visa** is restored for the citizens of 52 states, **including the Philippines**.

Electronic visa can be obtained by online application filled not later than 4 (four) calendar days before the proposed entry to the Russian Federation.

In addition to the application form, it is required to upload ***digital photo*** and a ***passport's copy.***

The visa is chargeable by online payment by the bank card only. **The fee is about 52 US Dollar equivalent**. The children's visas (below 6 years old) are gratis (except for the banking transaction charges – about 2 (two) US Dollar equivalent).

The applications and payments have to be filled and done through special website: https://electronic-visa.kdmid.ru.

Starting from August 23, 2025, the validity period of the electronic visa is 120 days, and **the permitted period of stay in the Russian Federation is 30 days**.

Electronic visa may be used for private, business, tourist purposes as well as for scientific, cultural, social-political, economic, ***sport events*** and for the maintaining the respective contacts.

Visa would be valid for the entrance and exit to/from the territory of the Russian Federation by air, land (automobile and rail), water transport as well as by foot though certain selected border crossing points only (the list is available on the said web-site). The transport companies may check the validity of the electronic visa on the special web-site: https://evisacheck.kdmid.ru.
